

Greetings!

I thank all who participated in the liturgical services throughout Holy Week and Easter. All went well.

The schedule for Ascension Thursday, May 30, is at the bottom of the week-day schedule.

After Easter we will not be receiving the Precious Blood of Christ. Father Lou received a message that came to all parishes from The Archdiocesan Office that because of the flu and other health issues it is best not to offer the Precious Blood.

Hopefully the weather is going to catch up with the calendar which tells us it is spring. I am sure most are ready to appreciate some nice weather.

May God bless each of you.

Sister Catherine, scn
